Dr. Kenneth M. Ford
Institute for Human & Machine Cognition

EDUCATION
Tulane University
      Ph.D., Computer Science, 1987
University of West Florida
      M.S., Systems Science, 1984
New Hampshire College
      B.S., Systems Analysis, 1982

WORK EXPERIENCE
Florida Institute for Human and Machine Cognition (IHMC)
      Director & Founder, 1990 - Present
NASA Center of Excellence (COE) for Information Technology
      Director, 1997 - 1999
NASA Ames Research Center
      Associate Center Director, 1997 - 1998
University of West Florida
      Full Professor of Computer Science, 1997 - Present
      Associate Professor of Computer Science, 1991 - 1997
      Assistant Professor of Computer Science, 1989 - 1991
      Visiting Assistant Professor of Computer Science, 1988 - 1989
      Adjunct Instructor of System Science, 1982 - 1984
Tulane University
      Instructor of Computer Science, 1984 - 1988
United States Navy
      Various Positions, 1976 - 1982

AREAS OF EXPERTISE
Artificial intelligence, cognitive science, space technology and operations, human-computer interaction, information technology, management of science and technology, entrepreneurship in government and academia.

PROFESSIONAL/SCIENTIFIC/HONORARY AFFILIATIONS
AAAS, AAAI Fellow, IEEE Computer Society, National Association of Scholars, Association for Computing Machinery, National Science Board.
